Hello Barbara  
In reply to your email below.

St. James's Hospital offers a concessionary car parking rate of €5 a day for those who frequent the hospital on a regular basis, which gives recognition to patients with long-term illnesses. At the request of a patient a member of staff can complete the online application process to ensure they can avail of the concessionary rate when utilising our public carpark.

Provision of free car parking at hospital.

At the Lucan Area Committee, the following motion was passed by the members:-

"That this Area committee write to the management of Tallaght Hospital, St James Hospital and Connolly Hospital, Blanchardstown to ask that every effort is made to ensure free car-parking is provided for cancer patients or a designated family member or carer during their treatment."

Any replies will be circulated to all elected members of the committee. Your early response would be appreciated.
