Hi John,
REF. Item 55780

The following motion was passed at the Lucan ACM

"Further to Dublin Bus recently hosting a roadshow at Lucan Shopping Centre to give customers the opportunity to provide feedback and suggestion about the services in the Lucan area, which facilitated the members of the public to engage directly with the management and representative, that this Committee sends an invite to Dublin Bus to provide a report to member of its findings."

Your reply will be issued to the members of the Lucan ACM and following the meeting will be available to the public in the normal way.
