Subject: Housing occupation ESB issues - request from Lucan ACM

Dear Minister Naughten,

The below email was sent to the Department of Housing, Planning, Community & Local Government. We received a reply that this matter would be better dealt with by the Minister of Communications, Climate Action and the Environment. Perhaps you would let me know if you are in a position to provide a reply to the members of the Lucan ACM in this regard.

Subject: Housing occupation ESB issues - request from Lucan ACM

Attn. Minister for Housing, Planning, Community & Local Government

Dear Minister Murphy,

At the March 2018 Lucan Area Committee Meeting (ACM), the following motion was passed by the members:-

"That this committee requests the Chief Executive to write to the Minister Housing, Planning, Community and Local Government to investigate the significant delay with the ESB and the removal of overhead lines in Adamstown (St. Helens), which are preventing the occupation of completed housing in Adamstown.

Below is the developer's response to date:

"There is an unforeseen delay with the removal of some overhead electrical lines at St. Helens. As is now common practice, these overhead lines need to be removed and supply routed to the site via an underground network. Unfortunately, the ESB have been extremely slow in communicating a date in respect of the aforementioned and our construction team have sought a meeting with them to discuss the seriousness of the situation".

Any reply will be circulated to the Members and will be available to the public by published minutes of the meeting. Your early response would be appreciated.

Regards,
Barbara Reilly
