Hi Barbara.

Apologies for not replying sooner.

Bus Connects (<https://www.busconnects.ie/>) is the NTA initiative to overhaul the current bus system across the City-Region.

There is a planned programme of public consultation to take place in 2018 across the region around various proposed changes to both services and infrastructure.

On that basis, it would be more appropriate to address the Lucan bus services through the Bus Connects arrangements.

Accordingly, the NTA would like to defer meeting with the elected members at this time. I trust this is acceptable.

Kind regards,

Michael

Dear Mr Aherne,

The following motion was passed at the Lucan ACM in March 2018.

"That this Area Committee, following a road show held by Dublin Bus in Lucan Shopping Centre in October 2017 requests the Chief Executive make contact with the NTA asking that this Area Committee be presented with the findings of feedback acquired by Dublin Bus and to advise the Members of NTA plans regarding Dublin Bus services within the wider Lucan area."

Any reply will be circulated to the members and will be available to the public as part of the minutes of the meeting.

Regards,

**Barbara Reilly**
