A Chairde,

I write to inform you that the members of Kerry County Council at their recent meeting adopted the following resolution.

“Kerry County Council calls on the Minister for Health, Deputy Simon Harris to request the HSE to review the decision to restrict the use of Versatis pain relief patches to patients in chronic pain outside those experiencing post herpatic neuralgia, and to revert to the Pre December status while this review is being undertaken”.

It was agreed to circulate this motion to all local authorities for their attention and consideration.

Mise, le meas,

Liam Quinlan,  
Meetings Administrator
