Dear Ms Reilly

The Minister for Health, Simon Harris, T.D., has asked me to thank you for your recent letter concerning Community based day care services.

The Health Act 2004 provided for the Health Service Executive and under the Act, the Executive is required to manage and deliver, or arrange to be delivered on its behalf, health and personal social services.

As your request is a service matter your correspondence has been sent to the Parliamentary Affairs Division of the HSE who will arrange for a reply to issue to you directly.

I hope this is of assistance to you.

Yours sincerely

Paula Smeaton

Private Secretary
