Subject: Item 61676 Request for funding from Lucan Committee Members

Dear Sirs

At the Lucan Area Committee Meeting the following motion was passed by the members and it was agreed to write to you in this regard.

That this Area Committee meets with the NTA and TII to specifically discuss the practicalities of obtaining the funding streams required to further the objective we inserted into the 2016-2022 Development Plan for a grade separated junction at Kennelsfort Road/R148 intersection, something badly needed to manage traffic flows to revitalise the Palmerstown village area in terms of retail, tourism and heritage.

Any reply will be circulated to the members of the Lucan ACM and will be available to the public as part of the minutes. Your early reply would be appreciated.

Regards,

Barbara Reilly
