Building Control is a statutory function of a local authority under the Building Control Act 2007. The Building Control Act 2007 provides for the appointment of a Building Control Officer to carry out the functions of the Building Control Officer under the Building Control Act 2007. The Building Control Officer is responsible for the administration of the Building Control Act 2007. The Building Control Officer is also responsible for the administration of the Building Control Act 2007. The Building Control Officer is also responsible for the administration of the Building Control Act 2007.
