Subject: Request for Day Centre in the Lucan Area

Dear Minister,

The following motion was passed at the March Lucan Area Committee Meeting:-

That this Area Committee asks the Chief Executive if a day centre has been considered for the Lucan area? Could a satellite centre connected to the Peamount Hospital be considered? That this committee writes a letter to the relevant Ministers and agencies asking that this proposal be considered for the Lucan area.

Any reply received will be circulated to the members of the committee and be available to the public as part of the minutes of the meeting. Your early response would be appreciated.

Regards,

Barbara Reilly
