Dear Ms. Reilly,

I refer to your recent e-mail to the Minister for Education and Skills, Mr. Joe McHugh TD, with regard to installing CCTV outside Scoil Mhuire in Ballyboden.

The correct mechanism for works of this nature is the Department's Summer Works Scheme. The application process for the next Summer Works Scheme is currently open and it is open to the school to apply for these works through that process.

The Department is not in a position to fund works which are outside the school grounds as these issues are a matter for the relevant Local Authority.

Yours sincerely,

Derek Newcombe
