Subject: Funding for junction on R148 - Lucan Area Committee Meeting(ACM)

Dear Minister

The following motion was passed at the February Lucan Area Committee Meeting.

“That this Area Committee meets with the NTA and TII to specifically discuss the practicalities of obtaining the funding streams required to further the objective we inserted into the 2016-2022 Development Plan for a grade separated junction at Kennelsfort Road/R148 intersection, something badly needed to manage traffic flows to revitalise the Palmerstown village area in terms of retail, tourism and heritage.”

A reply has been received from the National Transport Authority (NTA) who stated that this was not a matter for the NTA or the TII. They stated that *‘as a key junction on the R148 regional road, the appropriate national funding body with whom to discuss this objective is the Department of Transport, Tourism and Sport’*

Your early response would be appreciated. Any reply will be circulated to the members of the Lucan ACM and will be available to the public as part of the Minutes.

Regards,

Barbara Reilly
