

## Tallaght 2020 Tree Planting Programme.

Trees make a major contribution to the character and appearance of South Dublin County. They provide significant economic, social, environmental, ecological and aesthetic benefits to communities and to urban and residential streets, parks and open spaces. They also enhance biodiversity and play a crucial role in mitigating climate change.

The significance of tree planting is recognised in the Council's policies – Tree Management Policy – Living with Trees and the Council's Climate Change Action Plan

Areas targeted for new tree planting are those where trees have been removed or where there is an identified need to increase the overall tree cover. Requests from Council members and local residents for new trees in their streets or areas have also been taken into consideration within the planting programme and have been prioritised according to the number of trees already on the street, including those in front gardens and on adjacent land.

The principle of planting the 'right tree in the right place' will apply for all new and replacement tree planting. Trees will be selected for their appropriateness of scale and proportion to their surroundings and the aesthetic contribution they make to that environment

When inspecting potential sites for suitable tree planting, the following factors are considered - services, sight lines, warning signs and traffic signals, distance from public lighting columns, space for future crown and root growth, etc.

2000 trees will be planted in the 2020 tree planting programme of which 382 trees will be planted in the Tallaght area during the Spring Tree planting programme. The tree planting programme for Spring 2020 are set out in the table below:

House No.	Address	Site Type Street - S Open space - O/S	Quantity	Tree Species
4 / 6	Alderwood Avenue	S	1	Acer campestre 'Streetwise'
31	Alderwood Avenue	S	1	Acer campestre 'Streetwise'
37	Alderwood Avenue	S	1	Acer campestre 'Streetwise'
Front of 38	Alderwood Avenue	S	1	Acer campestre 'Streetwise'
