Re: Proposal for Provision of bring banks in Aldi Shopping Centre, Palmerstown.

Dear Sir

South Dublin County Council is currently carrying out some investigation of possible sites for location of bring banks in the county's administrative area. This is in line with South Dublin County Council Strategy for the provision of Local Community based recycling facilities. We have carried out some site inspections in your Aldi shopping centre in Palmerstown. This shopping centre has some space in the carpark which can accommodate some bottle banks. In this regard, we are writing to seek your permission to locate some bottle banks in the carpark which will serve as a great asset for recycling of bottles and cans from your customers. If you grant us permission, then we will go ahead to carry out public consultation with those properties which lie within 50 m radius from the shopping centre. We would be grateful for your kind consideration of our request.

Yours faithfully

Joseph Bockarie

Senior Executive Engineer,
Department of Environment, Water and Climate Change.
