Re: Motion from January Meeting of the Lucan/Palmerstown/Fonthill Area Committee

Dear Ms. Brennan,

I refer to your correspondence of 30th January on behalf of the Lucan/Palmerstown/Fonthill Area Committee in relation to Item 65010 "Re-erection of Bus Stop at Whitethorn Estate, Palmerstown".

In mid-November of last year a car collided with, and completely demolished, the bus shelter at this location, making this shelter unsafe and unusable in its entirety. The road traffic accident is currently under investigation by Ronanstown Garda Station. The damaged shelter was removed by our bus shelter contractor JCDecaux and the area made safe on a temporary basis.

It is intended that a new replacement bus shelter will be installed at this location during the next two months, dovetailing with other scheduled bus shelter installation works being conducted by our bus shelter contractor in this area.

I trust this clarifies the position in this matter.

Yours sincerely,

Hugh Creegan
Deputy Chief Executive.
