Subject: Lucan/Palmerstown/Fonthill (LPF) Area Committee Meeting (ACM)- Lights in Bus Shelters

To Whom it may concern:-

The following motion was passed at a recent meeting of the LPF Area Committee Meeting.

That this committee write to Dublin Bus requesting that Bus shelters in the Lucan area are equipped with adequate bulbs/lighting. Some shelters are in complete darkness and it has been brought to my attention that Bus shelters in other parts of Dublin have lights on the shelters that properly light up the shelters therefore making them a lot safer.

Any reply received will be circulated to the members of the committee at the next meeting and will be available to the public as part of the minutes of the meeting.

Kind Regards,

Barbara Reilly
