Dear Sirs

At the Lucan/Palmerstown/North Clondalkin Area Committee Meeting the following motion was passed by the members and it was agreed to write to you in this regard.

“That this Committee agrees to write to Irish Rail and the NTA to requests addition non-disabled car parking at Adamstown train station beside the station as the current arrangements do not provide adequate safety for commuters, particularly in the dark mornings and evenings.”

Any reply will be circulated to the members of the Lucan ACM and will be available to the public as part of the minutes. Your early reply would be appreciated.

Kind Regards
