Re: Clondalkin Area Committee Meeting of South Dublin County Council
held on 17th February, 2021

Dear Mr. Keeley,

I write on behalf of the Elected Members who at the Clondalkin Area Committee meeting held on 17th February, 2021 passed the following motion:

"This Area Committee expresses deep concern given the close proximity to our area, at the recent fire in 'Thorntons Recycling Plant and commends the emergency services for their prompt and efficient response. We call on the Chief Executive to request a full report from the Chief Fire Officer of any investigation that is carried out. That the findings of any report are made public and available to this Committee and South Dublin County Council for further scrutiny and to consider any recommendations on the control and operation of such facilities within the boundary's of South Dublin County Council."

I would be obliged for your comments and response as soon as possible to enable me to revert to the Committee.

Yours sincerely,

Michael McAdam,
