Hi Trevor ,

Thank you for your replay, I have checked with our ACM coordinator and it is suggested that maybe May will work. I can write to again nearer the time if you wish, our LPNC Meetings are held the 2<sup>nd</sup> last Tuesday of every Month.

Kind Regards  
Aoife

Hi Aoife

Sorry for the delay in getting back to you. Would it be possible to attend a later meeting? I'm relatively new to the area and due to restrictions haven't been able to meet most of the funded projects in the LPNC area yet. I feel I could represent the issues presenting more fully at a later date.

Regards,

Hi Trever ,

The ACM is (Area Committee Meeting ) for Councillors and Managers to respond to any questions raised . LPNC (Lucan Palmerstown and North Clondalkin) is the area of which the councillors are responsible for . When responding back to an item sent requesting attendance or questions to be answered , it must be done in a manner that you would be happy if Published , the Councillors would usually request to see any correspondence sent in writing .

I hope this has been helpful to you and if you need any further questions please ask I would be happy to help.

Kind Regards  
Aoife

Hi Aoife  
Jennifer Clancy has left the CDATF. I am the new coordinator of the CDATF. I am still reading myself in here but would like to help if I can. Forgive my ignorance but could fill me in please on what exactly the LPNC does and any further information you feel might be helpful in delivering a useful input to your committee?
