## **Re: Pesticide Cypermethrin**

Dear Minister McConalogue,

I wish to inform you at the March meeting of Leitrim County Council the Members passed the following resolution:

**“That Leitrim County Council write to Ministers Charlie McConalogue TD, Eamon Ryan TD, Senator Pippa Hackett and Malcom Noonan TD to desist from using the pesticide cypermethrin in controlling the pine weevil and instead deploy mechanical measures on tree stumps to control this pest when felling Sitka Spruce industrial plantations. We are in a national biodiversity crisis and this toxic chemical when used kills all insects and the runoff contaminates our water courses, all measures should be taken to progress towards the eradication of pesticides.”**

I look forward to hearing from you in this regard.

Yours sincerely,
