

Dear Miriam,

This email is a formal notification of my decision to step down as Solidarity councillor for the Tallaght South Electoral Area. I really appreciate the assistance I have received from council staff over the last years while working as a Solidarity councillor, however please take my stepping down as effective from now and thank all the staff on my behalf.

Michael O'Brien and Sandra Kavanagh, Solidarity's two authorised officers registered in the Oireachtas on behalf of Solidarity - People Before Profit, will be in touch with you to nominate a replacement to fill the position. I have cced Michael and Sandra in this email, so you have their email addresses should you need to contact them.

Best wishes,
Sandra
