Dear Aoife,

Thank you for your email below.

I brought your email below to the attention of Mary O'Kelly, Head of Primary Care and she has confirmed that it would be more appropriate for the NCSE to respond to your query as the pilot is a DOH (NCSE initiative) and it continued in 2020/2021 but the HSE/CHO7 were not involved.

I have attached for your ease of reference the email sent on the 23/3/21 which outlines some details on the Therapies in Schools project.

The contact details for the NCSE are as follows:

*Teresa Griffin, CEO
National Council for Special Education,
1-2 Mill Street,
Trim,
Co. Meath.
C15 P2KC
Main Telephone Number: 01 603 3200*

I trust this assists.

Kind regards,

Deirdre

Hi Deirdre,

At the Lucan/Palmerstown/Fonthill ACM the following motion was passed:_
The previous area committee (Lucan area committee) were given a presentation from HSE on the health care in Lucan some time ago. At that time I had proposed the introduction of speech therapists into our classrooms given my experience with speech therapy challenges and given that so many parents / children at the time had challenges and so many still do. Since then a pilot scheme was introduced by the then relevant Minister between Department Education and HSE. We agreed to write to the Minister for an update on the pilot, this committee now calls on the Chief Executive to invite the HSE to our area committee meeting to give a presentation on this pilot. A new motion is due for reply for the September 2021."

To ask Chief Executive for an update on the invitation to HSE for a report on pilot carried out on regard to Speech language and occupational therapy into schools

Kind Regards
Aoife

Dear Aoife,
I would like to acknowledge your email below and to confirm that we are following up with Primary Care in relation to your query and that we will revert as soon as we have heard back from them.
Kind regards,
Deirdre

To whom it Concerns,

At the Lucan/Palmerstown/Fonthill ACM the following motion was passed: _

The previous area committee (Lucan area committee) were given a presentation from HSE on the health care in Lucan some time ago. At that time I had proposed the introduction of speech therapists into our classrooms given my experience with speech therapy challenges and given that so many parents / children at the time had challenges and so many still do. Since then a pilot scheme was introduced by the then relevant Minister between Department Education and HSE. We agreed to write to the Minister for an update on the pilot, this committee now calls on the Chief Executive to invite the HSE to our area committee meeting to give a presentation on this pilot.

A new motion is due for reply for the March 2021.

"This committee asks the Chief Executive to update members on a motion approved in 2019 to invite HSE back to the chambers to report on the pilot scheme introducing speech language/occupational therapists in to the schools"

Would it be possible for the HSE personnel to make a presentation on this pilot scheme to the Lucan/Palmerstown/Fonthill Area Committee in the near future. All our meeting are virtual at the moment, so the presentation could take place from your office if you can access TEAMS.

Your early response would be very much appreciated.

Kind Regards

Aoife Brennan
