Petition to Object to the Part 8 for Proposed Works at Lucan Village Green and Main Street

We, the undersigned, object to the Part 8 for Proposed Works at Lucan Village Green and Main Street, as it will result in the removal of many of the most heavily used parking spaces in Lucan Village, which will damage local businesses and reduce access to essential medical services for the elderly and the vulnerable.

Petition to Object to the Part 8 for Proposed Works at Lucan Village Green and Main Street

We, the undersigned, object to the Part 8 for Proposed Works at Lucan Village Green and Main Street, as it will result in the removal of many of the most heavily used parking spaces in Lucan Village, which will damage local businesses and reduce access to essential medical services for the elderly and the vulnerable.

Petition to Object to the Part 8 for Proposed Works at Lucan Village Green and Main Street

We, the undersigned, object to the Part 8 for Proposed Works at Lucan Village Green and Main Street, as it will result in the removal of many of the most heavily used parking spaces in Lucan Village, which will damage local businesses and reduce access to essential medical services for the elderly and the vulnerable.

Petition to Object to the Part 8 for Proposed Works at Lucan Village Green and Main Street

We, the undersigned, object to the Part 8 for Proposed Works at Lucan Village Green and Main Street, as it will result in the removal of many of the most heavily used parking spaces in Lucan Village, which will damage local businesses and reduce access to essential medical services for the elderly and the vulnerable.
