

Dear Councillors

Sadly I have made the decision to resign my council seat due to pressure of the day job. It is such an important position and I am just not able to do it justice at the moment, although I have very much enjoyed my time on the council and it has been extremely educational. I sincerely admire your levels of commitment and knowledge and thank you for the civil and supportive communication. I would really like to be back one day when I have freed myself from some work and family responsibilities, so you may see my face on a lamp post at some stage in the future. Huge thanks to the Green Caucus, Laura, Peter and Liam who have a phenomenal work rate and huge reservoirs of patience for dealing with my questions (probably 90% of them about acronyms).

Yours

Suzanne
