South Dublin County Council

Ref: TTAS-MO-03326-2022

Dear Ms. Reilly,

Thank you for your recent correspondence in relation to the forthcoming Road Traffic and Roads Bill, which contains measures in respect of, among other things, the misuse of quads and scramblers.

The Bill was passed by the Select Committee on Transport last week, and we are awaiting a date for it to be heard for Report and Final stages in the Dáil, before it then passes to the Seanad for consideration.

The Oireachtas timetable is not something my Department has any control over. As the Dáil rises for summer recess in less than 2 weeks, I am anticipating that the Road Traffic and Roads Bill will be heard by both Houses of the Oireachtas in the autumn term, and signed into law before year end.

I hope that this is of assistance.

Yours sincerely,
