Re: Item 76679 November 2022 Lucan Palmerstown North Clondalkin ACM

Dear Ms Sinclair,

I refer to your recent correspondence in relation to an update on Adamstown Boulevard as a proposed Primary Care Centre. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm that the HSE Capital and Estates Department are still in negotiations with the developer Quintain. The Heads of Terms are under review with both legal representatives. Schedule of accommodation is with CHO7 for approval and initial sketch design has been carried out and is under review. The List of Services that will be offered at this centre is currently under review but it will house a Multi-Disciplinary Team to advance services. We have no further update at this time.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

Yours sincerely,

Gillian Farrelly
