

Re: Attn: Sharon Conroy re Slí Mór

Your Reference: M 78945

Attn: Sharon Conroy

Dear Sharon

I refer further to your letter dated 17th May 2023 received hard copy to our office with regard to a request to list the Slí Mór be listed on the Record of Monuments and Places (RMP).

There is currently legislation before the Oireachtas which, when enacted, will provide for a new Register of Monuments to be established in place of the existing RMP and other provisions of the National Monuments Acts (which will be repealed).

The priority of the National Monuments Service is the preparation of the establishment of the new Register.

We have noted your request and will consider it in that context.

Kind regards

Máire
