Dear Ms Conroy,

I refer to your correspondence dated 15th February 2023 regarding a motion that was adopted by Councillors at the February meeting of the Clondalkin, Newcastle, Rathcool, Saggart & Brittas Area Committee regarding the potential to provide a bus shelter at the Rathcoole Slip Road - stop number 104301. I apologise for the delay in issuing a response to this query, which was due to an oversight on our part.

Since receipt of this request, we have undertaken a technical assessment of this site and have confirmed that it is suitable for the installation of a bus shelter. Our bus shelter contractor – JCDecaux – has finalised the required design work and we will shortly be submitting a planning application to South Dublin County Council for the provision of a bus shelter at this location. Assuming that planning permission is granted, this bus shelter will be included for installation in next years' programme.

I trust that the above information clarifies the position.

Yours sincerely,

Hugh Creegan

Hugh Creegan,
Deputy Chief Executive.
