Ms. Ursula Donnellan,  
Senior Staff Officer,  
Corporate Services Department,  
County Hall,  
Town Centre,  
Tallaght, Dublin 24.

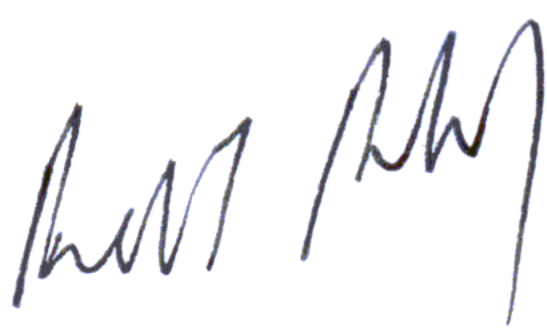

Dear Ms Donnellan,

I refer to your letter of 26 March 2006 regarding the removal of the bus shelter from outside Molloy's Off Licence, Orchard Road, Clondalkin.

I would be reluctant to remove the shelter which is there for the comfort of our passengers. However, it is not in our interests to have our customers subjected to anti social behaviour when boarding or alighting from our buses.

Thank you very much for bringing this matter to my attention. I will pass on a copy of your correspondence to Martin Duggan, Area Manager, Conyngham Road Garage. I will ask him to liaise with the Gardai with a view to addressing the anti social behaviour at that location.

Yours sincerely,
