Dear Ms Sinclair,

I refer to your correspondence dated 15th December regarding a motion that was adopted at the November 2023 meeting of the Lucan, Palmerstown and North Clondalkin Area Committee meeting regarding item number 81029.

Irish Rail recently announced changes and some additional services to their timetables, details of which are provided at the link below. However, as we haven't yet received confirmation of funding for 2024 from the Department of Transport, we are unable to outline what can be delivered in terms of additional services including services on the Dublin Heuston line. Please note that in recent months, a number of services between Newbridge and Grand Canal Dock (which serves all stations) at peak times now contain longer trains which has addressed some capacity issues.

I trust that the above is of assistance and clarifies the current status of the matter.

To Whom it May Concern,

The elected Councillors in South Dublin County Council are sub-divided into Area Committees who meet to deal with local issues. One such meeting, the November 2023 Lucan / Palmerstown / North Clondalkin Area Committee Meeting (ACM) requested that we write to you on foot of the agreed Motion as per attached letter.

I look forward to your reply which will be circulated to all members and made available to the public through published minutes.

Kind regards,

Eimear
