TO EACH TOWN COUNCIL AND COUNTY COUNCIL

The members of Longford Town Council at a recent meeting passed the following Notice of Motion and it was agreed that it would be forwarded to each Town Council and County Council for their support:-

“That school leavers be employed during the summer to carry out an examination of the current electoral register and if serious discrepancies are shown up that the compilation of the new register be the subject of a new job scheme for young people”.

Yours sincerely,

Dan Rooney
Town Clerk
