Dear Ms Sinclair,

I refer to your correspondence dated 18th December regarding a motion that was passed at the December meeting of the Lucan, Palmerstown and North Clondalkin Area Committee. I have attached a copy of your correspondence for ease of reference.

We have no current plans to increase the frequency of route 60. Capacity is currently considered sufficient to match the demand. Notwithstanding this, we will ask the operator to carry out further checks regarding current capacity and demand and revert back to us with their findings.

I trust that the above is of assistance.

Yours Sincerely,
