MUINEACHÁN

2nd June 2006

TO EACH LOCAL AUTHORITY

South Dublin County Council
County Hall
Tallaght
Dublin 24

A Chara

At the May Monthly Meeting of Monaghan Town Council the members unanimously adopted the following and requested that it be forwarded to each Local Authority:

“That this Council calls to:

- have the legislation governing the location of telecommunication masts altered so existing masts can be removed from areas of high density population in addition to new masts being prevented from locating there
- have the safety threshold governing the radiation emissions permitted from such masts lowered considerably”.

Mise le meas

Marie Deighan
Town Clerk
