A Chara,

I have been requested to write to you on behalf of the members of Waterford County Council in relation to the following Resolution which was discussed at the monthly council meeting held on 12<sup>th</sup> June, 2006.

***"That Waterford County Council request the Commission for Energy Regulation (CER) to review the present Industrial/Commercial Electricity Tariffs and standing charges that presently apply to Sports Clubs that use Flood Lighting on playing pitches and request a change to the billing structure to a more appropriate Tariff category that reflects the amenity use of electricity which is less frequent and less intensive than Industrial usage."***

I would be obliged to have your observations on this matter at your earliest convenience.

Mise le meas,

**Tess O'Brien,  
A/County Secretary.**
