Susan,

We refer to the attached correspondence.

Liffey Valley Shopping Centre in conjunction with the National Transport Authority has delivered enhanced facilities for cyclists and pedestrians during 2022 and 2023 in conjunction with the enhancement of car parking, pedestrian, cycleway and public transport facilities and roads infrastructure.

This investment has seen significant improvement of pedestrian and cyclist approaches to the Centre as well as delivery of the following on-site facilities for cyclists:

- 60 bike stands providing 120 parking spaces and 3 bike shelters available for use by customers and staff
- 14 bike stands providing 28 parking spaces dedicated to facilitate staff cycling to the Centre

In addition, Centre Management are currently working with a bike locker supplier to deliver further bike parking facilities along with extending the current provision of bike parking facilities for staff.

Best Regards,

---
