

Thank you for this letter from the Members of Dublin City Council (reference M3/0625).

I stand firmly with Hungary's LGBTQ+ community and will continue to show my support for them through my work in the European Parliament. I have written to the Commission challenging Orban's ban, calling for infringement proceedings, and have joined protest actions in the European Parliament.

I appreciate the Council's attention to this matter and remain available for any further discussion around the protection of LGBTIQ+ rights in the EU.

Is mise, le meas,

Lynn
