Economic Development

RTFB/267/Q1/O925 Item ID:88032 – Rathfarnham Castle & Stables Timeline

Proposed by Councillor J. Sinnott

To ask the chief executive to set out the timelines and project plan for the redevelopment of the Rathfarnham Castle and Stables project.

REPLY:

Following the passing of the Part 8 of the Castle Stables and Courtyard at Rathfarnham project, SDCC is now progressing to the detailed design stage. To this end, the multi-disciplinary architect led design team has commenced detailed design of the project as well as preparing applications for disability access certs and fire certification, with this work due to be advanced between now and year-end. Tender documents for a works contractor will also be prepared before tendering for a build contractor, with the expectation that construction will commence in Q2 2026. The Elected Members will be updated as the project progresses, and once finalised details are in place regarding the project's construction start-date.

RTFB/280/M1/O925 Item ID:88154 - Additional Bins Request

Proposed by Councillor Y. Collins, seconded by Councillor E. Murphy

That this Council furnishes more bins in the Rathfarnham Templeogue area, to encourage the binning of dog poo and to reduce general littering

The following Report from the Chief Executive was read:

The provision of litter bins is carried out in accordance with the Litter Bin Installation Protocol as set out in the Litter Management Plan. The protocol sets out the basic principles for litter bin placement to provide consistency and appropriate coverage in all parts of the county.

Locations where requests for bins should receive priority for litter bin placements are:

- Town and village centres
- Vicinity of shops such as newsagents, food retailers, supermarkets
- Areas where people congregate e.g. bus stops, tram stops, post offices, public service buildings / offices
- Main routes to schools
- Larger parks greater than 16 hectares in size e.g. in the vicinity of playgrounds and dog run.
- The provision of litter bins is carried out in accordance with the Litter Bin Installation Protocol as set out in the Litter Management Plan. The protocol sets out the basic principles for litter bin placement to provide consistency and appropriate coverage in all parts of the county.

There are approximately 900 litter bins across the county, located both on-street and within public parks, all of which are available for the disposal of light litter including dog waste. South Dublin County Council proactively reviews the provision of litter bins to ensure they remain appropriately located and in line with the objectives of the Litter Management Plan. Where there is clear demand, and subject to meeting the required criteria, additional bins may be installed.

Suggested locations within the Rathfarnham–Templeogue area will be considered as part of this ongoing review.

Following Contributions from Councillors Y Collins, J Sinnott, D McManus, P Cosgrave, L McCrave and E Murphy, Brendan Redmond Senior Executive Parks and Landscapes Officer Responded to queries raised and the Motion was **Agreed**.

Proposed by Councillor A. Edge, seconded by Councillor D. McManus

That the Chief Executive reports on recent incidents of water outages and low pressure in Bohernabreena / Glenasmole, specifically addressing the general state of health of the pumps.

The following Report from the Chief Executive was read:

Since the signing of the Master Co-operation Agreement, the management of public water supply is no longer a function of individual Local Authorities and is the full responsibility of Uisce Éireann (UÉ). Therefore, for any Water Services-related issues, elected members should contact UÉ using the following methods:

- **Phone:** 0818178178 (**Calls get higher priority in Contact Centre – Out of hours calls skip the queue**)
- **Email:** localrepsupport@water.ie
- **Post:** Uisce Eireann, PO Box 860, South City Delivery Office, Cork

UÉ has indicated that they continue to value engagement and communication with elected members and encourage them to reach out through these channels.

This Motion was **Unanimously Agreed and Moved Without Debate**.

Public Realm

RTFB/284/Q2/0925 Item ID:88080 – Ballyboden Roundabout

Proposed by Councillor J. Sinnott

To ask the chief executive to confirm if the area in front of St Catherine’s Gate and Ballyboden Roundabout are maintained by SDCC and if it is included in the maintenance schedule?

REPLY:

The roundabout at St. Catherine’s Gate and Ballyboden is maintained by South Dublin County Council. Maintenance works are scheduled to take place in the coming weeks. In addition, the location has been identified for enhancement under the 2025 Public Realm Improvement Works Programme, which will include the introduction of low-density, pollinator-friendly planting.

RTFB/287/M3/0925 Item ID:88045 – Repainting of Bohernabreena Cemetery

Proposed by Councillor A. Edge, seconded by Councillor E. Murphy

That the repainting of Bohernabreena Cemetery wall take place as soon as possible.

The following Report from the Chief Executive was read:

The Council will carry out the repainting of Bohernabreena Cemetery as requested this will include the entrances and the wall along Bohernabreena Road.

Following Contributions from Councillor A Edge, Brendan Redmond Senior Executive Parks and Landscape Officer Responded to queries raised and the Motion was **Agreed**.

RTFB/288/M4/0925 Item ID:87847 – Lands at Ely Gate

Proposed by Councillor L. McCrave, seconded by Councillor A. Edge

That this Council writes to DLRCC to request their Parks Department co-operation to extend the Parklands at Ely Gate from the former boundary of the Representative Church of Ireland Body, which was already designated for an Open space Parkland, thus creating a small Linear Park with a natural habitat for wildlife. The ordinance survey map presently is incorrect in relation to the County Boundary between Dodder Road Lower and the R112 Dodder Park Road/Braemor Road. The

two numbered bridges on Dodder Road Lower DR-LP3024-00 and Dodder Park /Braemor Road DR-R112-004.00 marks the culvert carrying the Little Dargle - Castle Stream under the Boundaries Commission, marking the boundary and not the present fencing. We are short approximately 4 metres East. In this area could a natural wood Play space and Fitness Area for Adults and Seniors be put in, to serve the community within the area and encourage visitors to the quiet nature and peacefulness of Ely Gate.

The following Report from the Chief Executive was read:

The Council notes this request and, in the first instance, will need to examine the boundary matters raised in relation to the Ordnance Survey mapping and the county boundary line at this location. This will require further clarification before any discussions can take place with Dún Laoghaire–Rathdown County Council.

Following contributions from Councillors L McCrave, E Murphy and Y Collins, Brendan Redmond Senior Executive Parks and Landscape Officer Responded to queries raised and the Motion was **Agreed**.

RTEB/289/M5/0925 Item ID:88158 – Rathfarnham Wood Tree Planting

Proposed by Councillor Y. Collins, seconded by Councillor A. Edge

That this Council includes Rathfarnham Wood in the current tree replanting programme

The following Report from the Chief Executive was read:

Rathfarnham Wood Estate has been included in the Winter 2025 Tree Planting Programme. A total of 33 new trees will be replanted in suitable verge locations throughout the estate by the end of 2025.

This Motion was **Unanimously Agreed and Moved without Debate**.

RTEB/290/M6/0925 Item ID:88058 – Bohernabreena Cemetery Traffic

Proposed by Councillor A. Edge, Seconded by Councillor E. Murphy

That the Council close Bohernabreena cemetery to vehicular traffic at night owing to increased criminal activity in the small hours with offenders often trespassing into neighbouring properties.

The following Report from the Chief Executive was read:

If the Area Committee is in agreement with this proposal, the Public Realm Section will proceed to automate the entrance gates at Bohernabreena Cemetery. Vehicular access will then be restricted to the official opening hours, as outlined:

- November, December, January: 10.00am – 5.00pm
- February, March: 10.00am – 6.00pm

- April, October: 10.00am – 7.00pm
- May, September: 10.00am – 8.00pm
- June, July, August: 10.00am – 9.00pm

Following contributions from Councillors A Edge, E Murphy, Y Collins, L McCrave, P Kearns and P Cosgrave, Brendan Redmond Senior Executive Parks and Landscape Officer Responded to queries raised and the Motion was **Agreed**.

RTFB/297/M7/0925 Item ID:88034 - Grange Road AHB Apartments

Proposed by Councillor J. Sinnott, seconded by Councillor A. Edge

This Committee notes with concern the continued vacancy of the completed units at the bottom of Grange Road / Nutgrove Avenue in Rathfarnham. As the Committee understands the application under the Capital Advance Leasing Facility has been with the Department of Housing, Local Government and Heritage for over six months with no progress made. This Committee requests that the South Dublin County Council executive write to the Minister for Housing to sanction the application and allow the units to be occupied.

The following Report from the Chief Executive was read:

An Approved Housing Body (AHB) has secured approval from the Department of Housing, Local Government and Heritage under the Capital Advance Leasing Facility to acquire these units. The AHB has indicated that handover of the homes is expected in the coming weeks. In the meantime, the allocations section will work closely with the AHB to ensure an efficient allocation process.

This Motion was taken in conjunction with Motion 8

RTFB/298/M8/0925 Item ID:88159 – Grange Road AHB Apartments

Proposed by Councillor Y. Collins

To ask for an update in relation to the Loreto Gate apartments at the junction of Nutgrove Avenue and the Grange Road, noting that they are still vacant months after completion

The following Report from the Chief Executive was read:

An Approved Housing Body (AHB) has secured approval from the Department of Housing, Local Government and Heritage under the Capital Advance Leasing Facility to acquire these units. The AHB has indicated that handover of the homes is expected in the coming weeks. In the meantime, the allocations section will work closely with the AHB to ensure an efficient allocation process.

RTFB/302/M9/0925 Item ID:88044 – Boules Court for Firhouse C.C

Proposed by Councillor A. Edge, seconded by Councillor Y. Collins

That a site be identified without delay for the boules court at Firhouse Community Centre for which Firhouse Men's Shed were allocated funding some years ago.

The following Report from the Chief Executive was read:

In 2021, Firhouse Men's Shed was awarded funding under the Community Enhancement Scheme, through the LCDC, to develop a boules court on the grounds of Firhouse Community Centre, subject to local approval. At that time, there was no obligation for Community Services to engage further with the project beyond the allocation of funding.

We acknowledge that the group now requires additional support. Accordingly, we will engage with colleagues in Public Realm to assess the feasibility of advancing the scheme.

Following Contributions from Councillor A Edge, this Motion was **Agreed**.

RTEB/303/M10/O925 Item ID:88155

Proposed by Councillors P. Cosgrave & Y. Collins

That this Council considers an alternative location for the proposed screened bin store in the plans for the upgrade and extension of the Ballyroan Community and Youth Centre, to allow Ballyroan Men's Shed to retain their existing entrance and the use of the open space in front of it

The following Report from the Chief Executive was read:

The Ballyroan Community & Youth Centre, currently keep their bins behind a secure screen in the northern section of the children's play area within the community centre site boundary. As this area sits within the footprint of the proposed community centre extension, the bins need to be relocated to a new location. Multiple options for the relocation of the bins were considered by SDCC during the pre-Part 8 stage, however, due to numerous site constraints, the area to the south of the library storage unit is the only practical option available to the Council at this time.

The erection of the screened bin store is a necessary element of the proposed development to ensure the community centre expansion and upgrade works can proceed, for the benefit of a broad sector of the Ballyroan community. It is also important that the bins for the centre, are stored in a safe, hygienic and compliant manner, in a discreet location to avoid visually detracting from the special character and setting of the Church of the Holy Spirit, which is a Protected Structure. The relocation of the doors of the library storage unit to the west facing elevation, will ensure that the internal floor area of the storage unit is not diminished by the proposed development.

While I note the Ballyroan Men Shed's use of the library storage unit and the paved area to the south has been longstanding, this activity has only been agreed through an informal arrangement with the Ballyroan Library. While the expansion of the storage unit to meet the men's sheds needs is outside the scope of this Part 8 development, the Community Dept are happy to explore options with the Men's Shed representatives as a separate future project. The development of the proposed bin store to the south of the library storage unit, does not preclude other options for the future use of this space that may arise if progressed through proper statutory planning procedures.

It is noted the Men's Shed representatives were not consulted prior to proceeding to Part 8, however SDCC Library Section, who have responsibility for the storage unit were consulted and had no objections to the proposals.

The option of storing the community centre bins in the rear lane as has been suggested was explored with SDCC Roads Maintenance Section at pre-Part 8 stage and was rejected due to fire safety concerns.

The land outside the proposed dedicated accessible entrance to the children's play area to the west of the community centre is in the ownership of Ballyroan Parish and SDCC do not have authority to relocate the bins to this area. It is also a visually prominent location and could significantly detract from the special character and setting of the Church, which is a Protected Structure.

Following Contributions from Councillors Y Collins, P Cosgrave and E Murphy, Maria Nugent Administrative Officer Responded to queries raised and the Motion was **Agreed**.

Transportation

RTEB/304/H17/0925 Item ID:88199 – Notification of Roads to be T.I.C

This report was presented by John Hegarty Senior Engineer

Airpark Square Estate, Notification of the Intention to take the estate in charge.

[Airpark Square TIC Map](#)

The following Report from the Chief Executive was read:

This Headed Item is to inform the local elected members that the Council intends, later this week, to advertise the "Airpark Square Estate, Stocking Lane" for Taking into the Charge of South Dublin County Council. I attach a copy of the intended TIC map along with this report.

Maps showing the roads and the areas to be taken in charge, will be published separately and will be available for viewing at the Council's public consultation portal at <http://consult.sdublincoco.ie> during the advertisement period.

Objections or representations regarding the above proposal may be made via the portal or in writing to the Senior Executive Officer, Land Use, Planning and Transportation, South Dublin County Council, County Hall, Tallaght, Dublin 24, D24 A3XC.

Objections or representations referencing the relevant scheme should be made in one Medium only and will only be accepted in either format outlined above.

After the statutory advertisement period, a report on any objections and any related recommendations will be taken before the next available ACM for the consideration of the members.

If agreed by the local members at that ACM, the proposal will then be brought before the full Council for ratification.

Following Contributions from Councillor E Murphy, John Hegarty Senior Engineer Responded to queries raised and the report was **Noted**.

RTFB/308/M11/0925 Item ID:87796 – Divine Word N.S Proposed Pick Up Area

Proposed by Councillor D. McManus, seconded by Councillor A. Edge

That this area committee asks the Chief Executive to examine a large section of public realm outside Divine Word N.S. opposite 2-14 Grange Manor Close to be used a pick-up drop-off area for the local school and engagement may take place with school management? At present, this area is inaccessible for such use due to a high kerb in place.

The following Report from the Chief Executive was read:

The Traffic Section has reviewed the location where the provision of a drop kerb has been requested. The area in question, between the existing kerb and the boundary wall, is not in the charge of the Council. Therefore, the Council is not in a position to carry out the requested works.

This Motion was **Unanimously Agreed and Moved Without Debate**.

RTFB/309/M12/0925 Item ID:88035 – Footpath Repairs

Proposed by Councillor J. Sinnott, seconded by Councillor A. Edge

This Committee notes and acknowledges the public realm improvements as part of the active travel scheme on Butterfield Avenue. However, these improvements have highlighted the need for the upgrading of existing footpaths, the entrance to Anne Devlin Road, entrance to Butterfield Grove and existing potholes along the avenue. This Committee requests that this area is included in the next works programme and the necessary repairs and upgrading takes place.

The following Report from the Chief Executive was read:

The junction of Anne Devlin Road is listed for repair this year.

The remaining requests will be inspected and listed for consideration in future programmes if necessary

Proposed by Councillor P. Cosgrave, seconded by Councillor A. Edge

To ask the Manager to have a survey of Glendoher Estate, Rathfarnham to include Glendoher Estate in the footpath repair programme. The concrete in the footpaths is breaking up and also there are a lot of lifted footpath sections. Could the Manager come back to this committee to inform us when the works would start.

The following Report from the Chief Executive was read:

Glendoher Estate is already listed for consideration for the 2026 footpath programme.

Following Contributions from Councillors P Cosgrave and Y Collins, Gary Walsh Senior Engineer Responded to queries raised and the Motion was **Agreed.**

RTFB/311/M14/O925 Item ID:88156 – Footpath Dishing at St. Enda's Park

Proposed by Councillor Y. Collins, seconded by Councillor A. Edge

That this Council considers dishing the footpaths in St. Enda's Park to assist residents, many of whom are elderly, to navigate access in and out of their homes, noting that the footpaths currently are in a very poor condition

The following Report from the Chief Executive was read:

St. Enda's Park is listed for consideration for the 2026 footpath programme

We will try get dishings done at the junction of St. Enda's Pk/Drive this year through Direct Labour.

Following Contributions from Councillors Y Collines and L McCrave, Gary Walsh Senior Engineer Responded to queries raised and the Motion was **Agreed**.

RTFB/312/M15/O925 Item ID:88157 – RTFB Traffic Issues

Submitted by Councillor Y. Collins

That this Council implements an effective traffic management strategy to address and alleviate the chronic traffic congestion in the Rathfarnham/Temploeque/Knocklyon area including the reinstatement of left slip turns as necessary

In accordance with protocol previously agreed at the March 2025 RTFB ACM, this motion was ruled out of order by Councillor A Edge (Chair) and reiterated that this is an item suited to the next Traffic Management Meeting.
