

Tree Maintenance Programme 2026-28 – Rathfarnham/Templeogue/Firhouse/Bohernabreena Areas.

Tree Maintenance will be carried out according to the Council's Tree Management Policy 2026-2031 'Living with Trees'. The focus of the Council's three-year Tree Maintenance Programme is on entire roads or whole estates. In advance of commencing works within an estate or road, a full survey of all trees at the location is carried out to inform the programme and scheduling of tree maintenance. The tree surveys record data on tree species, age, maintenance required and photographic data.

The proposed three-year programme for the period 2026-2028 includes the following locations:
