Ref: Item 88648

Dear Ms Maguire,

I refer to your correspondence dated 4th of November 2025 in respect of the above matter.

In December last year, the NTA attended a full council meeting of South Dublin County Council. In terms of your request for a meeting with the Lucan, Palmerstown and North Clondalkin Area Committee. Please note that as the National Transport Authority (NTA) is a national body with a broad range of transport functions extending across the State, we receive many requests from local authorities, local area committees, municipal district councils and community groups for NTA attendance at meetings. Due to the volume of such requests and the limited availability of senior personnel, we are, in general, not in a position to attend such local area committee meetings.

Notwithstanding the above, we are willing to attend a full council meeting as we have done several times previously. Please note that our new CEO, Ms Anne Shaw will commence her role at the end of November. If South Dublin County Council wish to invite the NTA to attend a full council meeting, I suggest that that this attendance might wait until early next year, giving Ms. Shaw the opportunity to settle into her new post and familiarise herself with various aspects of the transport sector.

In the meantime, councillors can contact us via our dedicated email address for public representatives which is oireachtasliaison@nationaltransport.ie.

I trust that the above information is of assistance and clarifies the current status of the matter.

Yours sincerely,

Hugh Creegan,
Chief Executive (Interim).
