### **Q1/1125 Item ID:88978**

Proposed by Councillor J. Spear

"Can the Manager please report on when the Contractor for maintaining the pavilions and dressing rooms in Ballymount Park in Tallaght will be hired and commence work?"

### **REPLY:**

On 8<sup>th</sup> October 2025, SDCC published a tender for the appointment of a contractor through a Single Party Framework for the Maintenance of Pavilions across the county. The tender allows for maintenance including

- Fire and Safety Systems: fire alarm, emergency lighting, intruder alarm, disabled refuge alarm, fall arrest system.
- Mechanical and Electrical Systems: Building Management System (BMS), underfloor heating, air-to-water heat pump, heat recovery unit, booster and recirculation pumps.
- Water Systems: cold water storage tank, water heaters, sanitary fittings, Legionella testing and compliance.
- Building Fabric and Finishes: doors, ironmongery, carpentry, roofing, cladding, insulation, internal finishes.
- Access and Security: access control, automatic doors, CCTV interface where required.
- General Services: cleaning, waste management, consumables replenishment, minor repairs.

Closing date for submission of tenders was 29<sup>th</sup> October 2025. Tender assessment is currently being undertaken. Subject to tendering parties meeting the council requirements, it is expected the contractor will be appointed in December 2025.

### **Q2/1125 Item ID:88997**

Proposed by Councillor J. Spear

"Could the Manager please consider installing an area for small dog breeds adjacent to the dog park installed in Ballymount Park, Kingswood, Tallaght, similar to Corkagh Park?" I understand that the intent is that the dog park is

for all breeds, but sometimes it's not safe to co-mingle small breeds with larger breeds, so residents are asking for a small breed space.

**REPLY:**

The existing dog park in Ballymount Park was designed to accommodate all breeds within a single, open space. The footprint of the facility is not large enough to subdivide without significantly reducing the overall usability and exercise space for dogs.

**Q3/1125 Item ID:89007**

Proposed by Councillor A. Smyth

"Can I ask the Manager to report on how much was spent in the clean up of stockpiling and clean ups around Halloween period this year across the Tallaght area?"

**REPLY:**

As clean-ups are still ongoing across multiple areas, it is not possible to put a monetary value on the bonfire clean-up for the Tallaght area at this time. There were 76 bonfires recorded in Tallaght this year, representing a reduction of 16 compared to 2024.

3 Year Tree Maintenance Programme (For Noting)

**REPLY:**

**Tree Maintenance Programme 2026-28 – Tallaght South/Central Areas.**

Tree Maintenance will be carried out according to the Council's Tree Management Policy 2026-2031 'Living with Trees'. The focus of the Council's three-year Tree Maintenance Programme is on entire roads or whole estates. In advance of commencing works within an estate or road, a full survey of all trees at the location is carried out to inform the programme and scheduling of tree maintenance. The tree surveys record data on tree species, age, maintenance required and photographic data.

The proposed three-year programme for the period 2026-2028 includes the following locations:

Whitebrook Park Estate

Watergate Estate  
St Maelruans Park Estate  
Seskin View Road and Estate  
Rathmintin Estate

"This Area Committee requests that the play space at Aylesbury field is upgraded with additional equipment?"

## **REPORT:**

Aylesbury Playground was originally installed in 2015 and received a major upgrade in 2022 and it is very well used. SDCC has recently adopted a new Play Policy – *The Nature of Play* under which upgrades and extensions to existing playspaces can be considered. The Public Realm team is currently preparing proposals to present to Councillors, outlining options for implementing this new Play Policy and seeking input. It is expected that this programme will be discussed with Councillors in advance of the next Tallaght Area Committee Meeting.

The Council remains committed to meeting the play needs of all children growing up in the county. In line with the Play Policy, decisions on future investments should be based on a strategic assessment of areas of highest need and where local demand has been identified.

There were contributions from Cllr N Whelan and Cllr M Duff

Laurence Colleran, Senior Executive Parks Superintendent, agreed to meet with the Councillors to agree a strategy for the park

The Motion was **AGREED**

### **Q4/1125 Item ID:89015**

Proposed by Councillor K. Keane

"To ask the Manager for an update on the Killinarden to Sean Walsh Park Greenway, and a timeline for when this will be completed?"

## **REPLY:**

The Killinarden to Sean Walsh Park Greenway will link Sean Walsh Park, at the Old Bawn Road and N81 junction, with Killinarden Way along Whitestown Stream. Prior to developing the Greenway, improvements are required at Old Bawn Road and N81 junction as this junction has not yet been improved to provide to a configuration compliant with the Cycle Design Manual. These works will be provided by schemes currently in design as part of the N81 Tallaght Central strategy. The Killinarden to Sean Walsh Park Greenway will be developed following the installation of improved cycle and pedestrian facilities along the Old Bawn Road and N81.

**Q5/1125 Item ID:89000**

Proposed by Councillor J. Spear

"Can the Manager please give an update on the CPO proceedings that were initiated on the properties on the derelict sites registry in Tallaght? Please include when the owner was notified, the response from the owner, and what steps the Council is taking for each property.

**REPLY:**

Under the provisions of the Derelict Sites Act 1990, South Dublin County Council has recently served Section 15, Notices of Intention to Acquire on two properties in the Tallaght area. The first notice was served on 19<sup>th</sup> June and the other was served on 30<sup>th</sup> October. Both Section 15 Notices were published in local and national newspapers, listed on the SDCC website and affixed to the respective properties. The Section 15 Notices were also sent by registered post to the registered owner of the properties and legal representatives where applicable.

SDCC received initial correspondence and a subsequent formal appeal, in response to the serving of one Section 15 Notice. The content of the correspondence and subsequent appeal was referred to the Law department for review. A decision was subsequently taken to refer both the initial correspondence and the formal appeal to An Coimisiún Pleanála (ACP), as outlined in Section 16 of the Derelict Sites Act 1990.

Following consultation with ACP, SDCC has written to the legal representatives of the registered owner of this property, on 4<sup>th</sup> November. SDCC has reiterated our position on this property and highlighted the actions that have taken so far under the Derelict Sites Act 1990.

SDCC has received no correspondence in relation to the other property in the Tallaght area, following the serving of a Section 15 Notice. An appeal can be submitted up to the 24<sup>th</sup> of November. Should an appeal not be received before the deadline, SDCC will proceed to vesting the title of this property.

**Q6/1125 Item ID:89003**

Proposed by Councillor J. Spear

"Can the Manager please give an update on when the Tallaght to Clondalkin Village cycle project will commence?"

**REPLY:**

Due to ongoing drainage works on Belgard Road the Tallaght to Clondalkin Active Travel scheme is currently on hold. It is intended that the first phase scheme can commence in the spring of 2026 subject to satisfactory completion of the Uisce Eireann works.

Proposed by Councillor K. Keane

"To ask the Manager what actions the council undertakes to ensure that minimum housing standards and necessary maintenance is provided to those from the Councils Housing list who are housed by Approved Housing Bodies in Tallaght?"

#### **REPLY:**

SDCC works closely with all Approved Housing Bodies to ensure that tenants housed through these organisations are accommodated in properties that meet the required minimum housing standards and are properly maintained.

Each AHB operates under a Service Level Agreement with the Council, which sets out the respective roles and responsibilities in relation to tenancy

management, property maintenance, and compliance with housing standards.

In addition, the Council holds regular meetings—on a monthly basis—with all AHBs operating within the area. These meetings provide a structured forum to discuss tenancy issues, property maintenance matters, and any concerns raised by tenants or the Council.

Through these ongoing engagements and monitoring arrangements, the Council ensures that AHB-provided housing continues to meet statutory standards and that necessary maintenance is undertaken promptly where required.

**Q8/1125 Item ID:89014**

Proposed by Councillor K. Keane

"To ask the Manager for a detailed breakdown in tabular form of the amount of inspections of rental accommodation have taken place in Tallaght in the last two years, and how many of those resulted in improvement notices being issued, and if those improvements have been completed or are still pending?"

**REPLY:**

Please see detailed breakdown below:

<b>Year</b>	<b>Inspections carried out on private rented properties Tallaght area</b>	<b>No. of Improvement Notices - Notices Issued</b>	<b>Improvement Notices Completed (complied with)</b>	<b>Improvements Pending</b>
<b>2024</b>	1890	5	2	3
<b>2025 to date</b>	1206	6	1	5

Those cases at 'Improvement Pending' stage are subject to ongoing enforcement by Environmental Health Officers (EHOs) from the HSE and legal proceedings are initiated where necessary.

"To ask the Manager for an update on long promised Community Centre in Citywest, and a timeline for when this will commence/completed?"

**REPLY:**

The Developer submitted their planning application for Citywest Community Centre on Sept 18th and a decision was due on Nov 12th. Additional information has been requested.

Once the planning permission has been granted and the developer can commence on site the build is set to be 24 months.

Proposed by Councillor A. Smyth

"Can I ask the Manager for a breakdown of how much was spent by SDCC (grants or own events) for Halloween activities across the Tallaght area this year?"

**REPLY:**

A total budget of €40,000 was allocated, covering both Spookdalkin and Tallaween. These two initiatives were costed together, as they formed part of a joint programme and were delivered from a single shared budget line.

Also, a total of €4,500 was allocated to 7 Community Centre's located in the Tallaght DEDs who applied to put in Local Halloween Community Events as part of the Annual Community Centre Management Support Fund awarded to centres in 2025.

#### **REPLY:**

The Traffic Section has reviewed the request for a pelican crossing at the Suncroft / Kiltalown junction on the Mount Seskin side. This location will be added to our list for the delivery of a pedestrian crossing and will be included in the 2026 assessment review.

The delivery of any new crossing will depend on the design constraints at the junction, available funding and the resources needed to bring it forward.

This can also be discussed as an item in the November TMM meeting.

### **Q14/1125 Item ID:88999**

Proposed by Councillor D. Richardson

"Can the Manager report on parking availability at Tallaght Stadium for Astro at Sean Walsh Park and can this be considered for parking for this?"

#### **REPLY:**

The car park at Tallaght Stadium was designated and developed specifically for stadium-related operations and events. It is a private car park, managed under the stadium's operational remit, and was not intended to function as a general-use facility for neighbouring amenities. The planning and design rationale for the Astro pitch recognised this from the outset; access to that facility was structured around public transport, cycling, and local pedestrian routes rather than reliance on car parking at the stadium.

Operationally, Tallaght Stadium is experiencing increased demand on its car park due to a growing calendar of events, including European football fixtures and planned concerts and large-scale events in the year ahead. Maintaining full control of the site, including its parking infrastructure, is critical for crowd management, safety protocols, emergency access, and the delivery of these events to required standards.

"To ask the Committee if there is a Disability officer for the Tallaght area on the Council staff, and if not, are there plans to hire one?"

#### **REPLY:**

Our Equality Officer, Gráinne Meehan, leads our work on equality, diversity, inclusion, and human rights, ensuring compliance with key legislation and conventions and she works across the council to eliminate discrimination,

promote equality, and uphold human rights—core priorities in our Corporate Plan. The functions of the Equality Officer include Access Officer and Disability Liaison Officer.

**Access Officer:**

Under Section 26(2) of the Disability Act 2005, each public body is required to appoint an Access Officer. The Equality Officer fulfils this role in SDCC by supporting access for disabled people to the services, buildings, and information provided by the Council.

SDCC's Access Officer can be contacted to assist with access to council services through:

- arranging an Irish Sign Language Interpreter or other appropriate access support,
- liaising on your behalf with council staff,
- providing information in a format that is accessible to you.

The Access Officer can assist in reporting any access difficulties that are encountered when moving around the County.

**Disability Liaison Officer:**

It is the responsibility of SDCC's Disability Liaison Officer to support and guide the Council with regard to:

- Implementation of the Disability Act 2005; and
- Co-ordination of the National Human Rights Strategy for Disabled People 2025-2030.
