

## Natural Water Minor Works Programme 2026

The following is the list of improvement works proposed for South Dublin in 2026. These proposals have been compiled from issues raised as agenda items at area committee meetings, undertakings given in response to members representations as well as works that have been identified by staff. It should be noted that the list below does not include those works which have already been included in the Council's three-year rolling capital works programme. This list of schemes will be presented to the meeting of the County Council in February for noting by the elected members.

Number	Location	Description of proposed works
1	Desilting of Lakes and Ponds	SDCC lakes require desilting: Tymon Park Corkagh Park
2	Safety works to access trash screens	Safety review of all trash screens and follow up with remediation works.
3	Rathfarnham Ponds	Remediate collapsed/blocked pipelines on private lands – wayleaves required
4	Lucan Village	St Josephs/Lucan Heights issues Old Lucan Road
5	Ballycullen Road/Monalea Grove	Reports of flooding - investigation to be completed
6	Ballyroan Crescent	Reoccurring flooding – investigation to be completed
7	Hillcrest, Lucan	More investigation work required. Covered manhole lid in road to be raised.
8	Arthur Griffith Park	Area to be observed following jetting works
