RE: South Dublin County Council - Citywest Garda Station

Dear Ms. Conroy,

Thank you for your correspondence dated the 19th of November 2025, we regret the delay in responding to you in this instance.

Further to our previous correspondence issued the 3rd of December 2025, please be advised of the following:

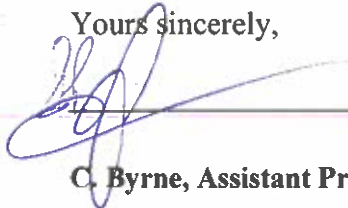

Saggart, Rathcoole, Newcastle and Brittas, Co. Dublin fall under Clondalkin (Rathcoole Garda Station – covering the villages of Saggart, Rathcoole and Newcastle) and Tallaght (Tallaght Garda Station covering the village of Brittas) Community Engagement Functional Areas, falling under the DMR (*West*) Division and DMR (*South*) Division respectfully.

Any proposed building of a new Garda Station in Citywest servicing the aforementioned districts would require the realignment of current policing boundaries.

Currently no pending applications or current considerations are being given to realignment of boundaries between the DMR (*West*) Division and the DMR (*South*) Division.

It should also be noted currently no timeline exists relating to any proposed Garda Station within the Citywest area.

Yours sincerely,

C. Byrne, Assistant Principal
