

A meeting took place on Tuesday 16th June at Adamstown Community College, with representatives from South Dublin County Council and the three principals from the following schools:

Adrian Flynn	Principal Adamstown Town Community College
James Carroll	Principal St John the Evangelist NS
Tom Moriarity	Principal Adamstown ETNS
Orlaith Maguire	Road Safety Officer SDCC
Minh Tri Lam	Executive Engineer SDCC

It was a very positive meeting whereby all three principals raised their concerns and following on from the meeting, a walk around the area was conducted so the principals could point out exactly where their concerns arose.

As a result, the following measures have been agreed.

- Road Safety Education Programme to be delivered to the schools in the new academic year, upon receipt of their request for same
- Schools to participate in Road Safety Initiatives during the new academic year, commencing with a child safety walk September 2026 (schools to revert with dates)
- Periodic Speed Limit School Ahead, road signage will be inspected and repaired.
- Traffic Section will undertake a review of existing road markings and signage.
- Traffic Calming Applications to be submitted by the schools
- Requests for pedestrian crossings to be submitted by the schools
- Instances of illegal parking and illegal vehicle manoeuvres must be reported to the An Garda Síochána as they are the appropriate authority.
