Dear Andy,

Thank you for taking the time to contact Dublin Bus on behalf of the Clondalkin, Newcastle, Rathcoole, Saggart and Brittas Area Committee regarding the extension of Route G2 to Seven Mills. Route G2 was introduced as part of Phase 4 of the BusConnects programme in October 2022.

BusConnects is a suite of initiatives designed to improve public transport in the Greater Dublin Area, including an investment of €2 billion in the bus system. BusConnects is being run by the National Transport Authority (NTA). Therefore, all queries relating to the network redesign are being managed by the BusConnects project team at the NTA. They can be contacted by email on oireachtaslaison@nationaltransport.ie

Yours sincerely,

Billy Hann,
Chief Executive.
